

**Missouri State Show-Me Standards  
correlated to  
Merit Software Reading Comprehension College Prep Programs**

The academic standards incorporate and strongly promote the understanding that active, hands-on learning will benefit students of all ages. By integrating and applying basic knowledge and skills in practical and challenging ways across all disciplines, students experience learning that is more engaging and motivating. Such learning stays in the mind long after the tests are over and acts as a springboard to success beyond the classroom.

These standards for students are not a curriculum. Rather, the standards serve as a blueprint from which local school districts may write challenging curriculum to help all students achieve their maximum potential. Missouri law assures local control of education. Each school district will determine how its curriculum will be structured and the best methods to implement that curriculum in the classroom.

Merit’s Reading Comprehension College Prep programs address the following Missouri State Show-Me Standards:

Grades 9-12            pg. 1

Grades 9-12
