License terms for all Merit online learning programs

Use over the Internet with a free management component that enables full student tracking. Training, hosting, set up, support, and teacher accounts are included at no additional charge.

Unused account time may be allocated to new students without extra fees until the end of the license period. Estimate the number of seats needed for a time period (i.e. semester, unit, or school year) before placing your order.

Prices are for one school only. Seats may not be shared with other schools without written permission from Merit.

All prices are in U.S. Dollars.
